

“This project was a huge challenge because we needed durable furniture that fit the environment we were trying to create. Kentwood did a great job of helping us find unique pieces that make the right statement.”

Larry Breeden
Pastor
Christ Community Church

Project Details
Christ Community Church
St. Charles, IL

Date: February 2008

- Library
- Lounge
- Juice bar
- Entry area

Products:

- Valore restaurant booths
- Cape seating and bar stools
- Integra tables
- Tenssco lockers

Contemporary Student Commons for Christ Community Church

The church was looking to set up a student ministries area that would attract students and their peers. The idea is to have this area staffed most days for programs, but also for a supervised place to hang out after school. Kentwood Office Furniture

has worked on numerous projects with this church over the past 20 years. Paul Wonsek and Associates out of Marietta, Georgia was the designer and they have worked with Kentwood Office Furniture in past projects with the church.
