

Since 1976, Kentwood Office Furniture has been the recognized leader in the remanufacturing industry. In our 30 years of experience, we have streamlined our processes to deliver the highest quality product. The end result is office furniture that meets Original Equipment Manufacturer (OEM) specifications at half the cost of new!

**... affordable systems
in-stock and ready to
ship ...**

The Kentwood Office Fundamentals Express line offers top-quality, remanufactured Herman Miller Action Office 2 panel systems, in-stock and ready to ship, at the lowest prices. When you have an immediate need for workstations and don't want to sacrifice quality, the Fundamentals Express program is right for you! The Express line ships or is available for pickup the following business day. Our in-house designers have chosen neutral fabric, paint, and laminate colors that will complement any office environment.
